

AQUACULTURE DISTANCE EDUCATION PROGRAMME

Division of Aquaculture, Faculty of AgricSciences, University of Stellenbosch,
Private Bag X1, MATIELAND, 7602, R.S.A.

Introduction

Aquaculture development in Southern Africa is hampered by a lack of skilled manpower. Local opportunities for training in aquaculture (i.e. certificate, diploma, degree, etc.) are limited. Since 2001 the University of Stellenbosch has presented an Aquaculture Education Programme in a Distance Education format.

Course Fees, Structure and Content

The Aquaculture Courses available are structured as set out below:
