

## Written Directions to the Maties Hockey Astro Complex

- Coming from **Cape Town** along the **N2**.
- Take the **Baden Powell Drive (R310)** exit & continue for +- 15km, past Spier, until you reach a set of traffic lights (M12 Polkedraai/Adam Tas Road).
- **Turn right** at these traffic lights, carry on & at the **2nd Traffic Light** (Dorp Street, Shell on the corner) **turn right**.
- Continue straight for 1km and **turn right** at the **circle** (Checkers on your left).
- Continue until next circle and take a **left**, now parallel with Paul Roos.
- Keep on this road for +- 850m, you will see the Astro Complex on your right. If you have hit another circle, turn around you have literally just missed the entrance 20 metres back.

Hope this helps.

Please trust these directions, I have personally driven & tested this directions many a time. They will get you there.
