International Students (June 2016): 4 324
Professional personnel: 1 071
Non-academic personnel: 2 353

Ranked under the top 400 universities by the QS World University Rankings 2017/18
308 Postdoctoral fellows

The University of Stellenbosch Business School (USB) is the first school from an African university to receive all three international accreditations: AACSB, EQUIS and AMBA.

LIVING IN STELLENBOSCH
Stellenbosch University and the town at large offer students a host of activities. Its diverse inhabitants provide for a vibrant student life. The numerous student clubs, societies, sporting activities and cultural events will keep you busy the whole time you are here. Here is a glimpse of what student life is like at Stellenbosch.

Entertainment
Stellenbosch is a show-stopping town with a lot of activities on offer for everybody – from young to old! From an eclectic mix of restaurants and pubs, to picturesque wine farms, theatre to live music, you will always find something to keep you entertained in Stellenbosch.

Sport and recreation
If you enjoy sport, Stellenbosch University is the ideal place to study. The university prides itself on its history of outstanding sporting achievements. Sport offered at the university are: athletics, basketball, baseball, canoeing, cycling, diving, boxing, golf, greyhounds, horse-racing, polo, motorcross, squash, softball, swimming, windsurfing, sailing, water-skiing, water sports, volleyball, water polo and wrestling.

Societies
Students may choose to join a wide variety of societies, established and run by students who share a common interest. These include social awareness, religious, cultural, political and recreational societies.

Facilities
Stellenbosch University boasts world-class facilities. Our JS Gericke Library is one of the biggest subterranean libraries in the world. It has state of the art research commons for postgraduate students with seminar rooms, lounge and computer work areas. Several computer centres on campus provide computers with internet access. Campus residences are on par with the best in the world, offering a home away from home experience for local and international students, subject to availability.

WHERE WE ARE
Stellenbosch is located in the Western Cape province of South Africa, in the most southern part of Africa. The University is about 50 km from Cape Town and 30 km from Cape Town International Airport.
