

TAKE NOTE

Local and international scholarship opportunities

This month of July is a busy but exciting one for SU International. We have international students and delegates on campus participating in various short programmes. The African Doctoral Academy's two-week-long Winter School, and the annual international summer (winter) school, part of the internationalisation-at-home programme, are both hosted on campus. Read more about our summer (winter) school [here](#).

For now, have a look at the local and international scholarships listed below.

Upcoming deadlines:
