

## Part-time student jobs available at SU

Student assistantships for 2014 are available at the Postgraduate and International Office (PGIO) and at the Learning Commons and Information Desks of the JS Gericke Library. There are 8 available positions at the PGIO student assistant positions. Eligible applicants must be senior students (currently 2nd year and beyond) who are registered at SU. The appointment is for one year and is paid on a monthly basis. If you discontinue with your studies, the appointment will automatically be cancelled.

- **More information** visit the [PGIO website](#).
- **Deadline** 4 October 2013

The student assistantships available at the JS Gericke Library are available to postgraduate students with little or no regular class attendance. Applicants will be required to complete a test on their IT skills and knowledge during the interview.

### **Commonwealth Scholarships 2014**

The call for Commonwealth Scholarships for 2014 is now open. Stellenbosch University (SU) has been invited to nominate a maximum of eight students who are currently registered at SU and are South African citizens. These may be in either of the following categories: one year taught master's courses or equivalent degrees (excl. MBA), six months of clinical training in medicine or dentistry, doctoral degrees up to three years duration (UK institution), one year research on a split-site basis towards a PhD registered at SU. Successful candidates are selected according to academic merit, quality of the proposal and the most likely impact of the scholarship on national development.

- **Deadline:** 5 November 2013.
- **More information:** for more info visit the [website](#) | download the [info document](#) | email [Chantal Swartz](#)

### **Utrecht University visiting fellowship, 2013-2014**

To enhance the successful collaboration between Utrecht University (UU) and its strategic international partners, UU offers grants for Visiting Fellowships. The purpose of these Visiting Fellowships is to initiate new collaborations in education between UU and its partners and to explore and set up (externally funded) cooperation projects in education and/or research in the fields of 'Life Sciences', 'Sustainability', 'Institutions' or 'Youth and Identity'. These are the four multidisciplinary strategic themes of UU. To support a Visiting Fellowship, a maximum of €5.000 can be funded through this fellowship programme.

- **Deadline:** 1 December 2013.
- **More information:** for more info download the [application form](#) or [info document](#) | visit the [website](#) | mail [Caspar de Bok](#)

### **TUBITAK Fellowship for visiting scholars and academic staff on sabbatical leave**

The Scientific and Technological Research Council of Turkey (TUBITAK) offers a range of fellowship programmes with generous scholarships for study and research in Turkey. TUBITAK is the leading agency for management, funding and the conduct of research in Turkey. The fellowship programme offers a monthly stipend of up to US\$3 500, travel costs, health insurance. The maximum fellowship duration is 12 months.

- **Target:** Scholars and academic staff who want to conduct research or teach in Turkey.
- **Deadline:** The last working day of each month.
- **More information:** visit the [website](#)

### **MBA Renewables online course, Beuth University of Applied Sciences**

MBA Renewables, the only Master of Business Administration with a focus on renewable energies, which can be studied online, offers a broad mix of qualifications needed in the management of renewable energy companies. Applications for the course starting October are now open. After the first semester, students will spend two weeks on campus in Germany to broaden the exchange experience offered by online forums and virtual group work. The programme is offered by the Berlin-based Beuth University of Applied Sciences in cooperation with Renewables Academy (RENAC)

- **Target:** For detailed info on the course and to apply, visit [the website](#).
- **More information:** email [Silja Kroesche](mailto:Silja.Kroesche) | call 0049 3045 045 052

### **A\*STAR Scholarships in Singapore**

A\*star scholarships are available as a 2 – 6 month “research internship” for registered Masters and PhD students (SIPGA). If you are a Masters student, perhaps consider the Full degree PhD scholarships (SINGA). If you are busy with your PhD, consider the 2 year ‘research abroad’ opportunity, as state of the art research facilities in Singapore (ARAP).

- **Target:** Masters and PhD students at Stellenbosch University
- **Deadline:** 30 September / 15 November / 30 November/ 31 January; depending on the scholarship opportunity
- **More information:** download the [Information Slide here](#).

### **TEFL Certificate course: apply now!**

The Stellenbosch University Language Centre’s 120-hour TEFL course prepares individuals for a life of adventure teaching English abroad. The University’s TEFL certificate and an undergraduate degree will put you in good stead for an overseas EFL teaching position at either a private language school, government school or tertiary institution. Many of our TEFL trainees who successfully completed our course are teaching in countries such as Saudi Arabia, South Korea, China, Thailand as well as here in South Africa. Registration for the June course is now open, but seating is limited to a maximum sixteen trainees.

- **Target:** individuals wishing to teach English abroad.
- **Deadline:** looming; apply as soon as possible. Registration forms and course information can also be collected from the Language Centre's Unit for Afrikaans and English, 7 Bosman Street. Alternatively, go to the [language centre website](#) and download the forms and information.
- **More info:** email [Melvin du Preez](mailto:Melvin du Preez) | visit the [website](#).

### **PGIO offers funding for overseas conferences**

The PGIO has limited funding available for conference attendance for doctoral students in their 3rd year in 2013. The PGIO Overseas Conference Grant (OCG) is a supplementary award to attend an international conference outside of South Africa to present a paper or poster. 2nd and 3rd year doctoral students who intend to present at a conference in 2013, should take note of this opportunity. This grant is awarded on a competitive basis. Please see attached Terms and Conditions document as well as the application form.

- **Target:** 2nd and 3rd year doctoral students who intend to do presentations at conferences in 2013.
- **Deadline:** there are 3 award cycles and different deadlines: 30 March 2013, 30 June 2013, 30 September 2013
- **More information:** download the [terms and conditions](#); download the [application form](#); download the [report](#).

### **DAAD Staff Opportunities: Research Stays and Bilateral Exchanges in Europe**

SU staff can apply for programmes that promote staff mobility: research stays and bilateral exchanges for academics and scientists.
