

Faculty of ECONOMIC AND MANAGEMENT SCIENCES

Applications for the 2021-intake year commences on 01 March 2020.

As a postgraduate candidate, only **one** programme is permitted upon application. Therefore, please ensure that you meet the minimum admission requirements for your programme of interest.

Your application for admission to a postgraduate degree programme will **ONLY** be processed after the application has been finalised and all the correct supporting documentation has been uploaded before the programme's closing date. Click [here](#) to view the presentation of academic qualifications and supporting documentation.

How to interpret this document:

The faculty's programme offering is listed according to progression (level), accompanied by the structure options.

Clicking on one of the following **hyperlinks** within the table below enables you to view the following -

- **Programme name** = curriculum information
- **Associated department** = departmental website
- Additional documentation required upon application:
 - **Departmental form (YES)** = required supporting document
 - **Important programme information (YES)** = review important content

Programmes and associated departments indicated in a different colour implies that the programme is offered across two faculties. The programme will reside within the faculty of Economic and Management Sciences, but hosted by an associated department within another faculty.

The following colour-coded grid displays the corresponding faculties:

Arts and Sciences

Science
