2. PRIVATE VEHICLES for official use:

In terms of the tax laws an employee who does not receive a monthly transport/travel allowance is permitted to claim up to R4.84 per km tax free. Claims amounting to more than R4.84 per km mean that the total claim becomes taxable and not only the portion above R4.84 per km. Claims from employees who do receive a transport /travel allowance, including those amounting to less than R4.84 per km, are fully taxable. In view of this, it would in most cases not be advisable to claim more than R4.84 per km.

Important Notice:

Reimbursement of private transport claims must be done within three (3) months of the actual trip and will be strictly enforced by SUNFIN to ensure an error free claim and ample time for the tax and audit period.
