## 2. PRIVATE VEHICLES for official use – valid from 1 March 2018:

In terms of the tax laws an employee who does not receive a monthly transport / travel allowance is permitted to claim at most **R3.61** per km (*was R3.55 per km*) tax free.

Claims amounting to more than **R3.61** per km mean that the total claim becomes taxable and not only the portion above **R3.61** per km. Claims from employees who do receive a transport/travel allowance, including those amounting to less than **R3.61** per km, are fully taxable.

In view of this, it would in most cases not be advisable to claim more than **R3.61** per km.

### **Important Notice:**

Reimbursement of private transport claims must be done within three (3) months of the actual trip and will be strictly enforced to ensure an error free claim and ample time for the tax and audit period.
